National Weather Service  
*Western Region Headquarters  
Regional Operations Center  
Salt Lake City, UT*

# **WEATHER KEY POINTS**

**12/27/19 - 01/02/20**

## **Friday-Saturday**

- Dry conditions and warming temperatures across the state with no significant impacts

## **Sunday-Tuesday**

- Rain and mountain snow showers are possible across Coastal and Inland Regions on Sunday, then shifting into Southern Region on Monday
  - A quick round of mountain snow could cause travel impacts, and locally moderate to heavy rainfall could produce minor flooding concerns
- Gusty easterly winds may develop across prone areas of Inland and Southern Regions on Monday and Tuesday

## **Wednesday-Thursday**

- A couple of storm systems may track across far northern California, with dry weather for the rest of the state
  - No significant impacts are currently expected
